

SCHOLARSHIP APPLICATION

In cases where finances are a hardship, the CoIC offers scholarships for all levels of Ministerial Training. (Keep in mind, ministers who are currently serving as Area Representatives, Directors or in other CoIC positions, automatically qualify to take all training classes without making any monetary donations while serving and do not need to apply for scholarships.) All others who need help with the cost of Ministerial Training can use this form to apply for a scholarship and others in the CoIC will help pay the costs for you. Once your application is approved a copy will be sent back to you.
